5 In my humble opinion, the Chairman's Office should be properly equipped before the Board ~~commences~~ commences work. I do not think Chapter V of the Regulation applies to the clerical and menial establishments required for that office. It is not for the Board to say what officials and on what pay the Chairman's office

requires. This is for the Government to decide. Mr. Sitaramam Rao's proposals seem to be moderate. A good Manager, a good Land Accountant, a good Cashier and a good Draftsman seem indispensible. The other men asked for with the slight reduction I have suggested in the Proposition" statement seem also necessary. I would accordingly authorise the Chairman to entertain the establish-ment required with the observation that the total cost thereof should not exceed Rs. 900 and that for the higher office[illegible] other Departments should be obtained to the extent possible.

Issue the orders after submission to 2nd Council

Municipal President's communication
reporting that the Municipal
Commissioners had elected
Sreepad Rajagopal and Venkata-

Trustees -

10 I doubt - Quite agree with
the Dewan that this is a matter
falling within the purview of
Section 34 of the Regulations -

11 In the view of the Dewan's order on the subject-
I have no objection -
